# JOURNALISM INTERN

- ✓ Conduct thorough research to uncover significant news, gather relevant data, and corroborate findings.
- ✓ Interview key individuals, including witnesses and sources, to obtain first-hand information and perspectives.
- ✓ Use collected data and insights to construct well-written articles that engage readers and uphold journalistic standards.
- ✓ Collaborate with fellow journalists, editors, and producers, establish and maintain contacts, and stay updated on developments through attending events and studying relevant materials.
- ✓ Maintain awareness of the readers' perspective and ethical considerations while retaining accuracy and integrity in reporting.
