

## Internship Opportunity – IT Infrastructure

Are you a university student eager to gain hands-on IT experience in a real-world setting?

Join us at **Emspaced**, a coworking space provider that also delivers top-notch IT solutions to our clients. This internship will give you the opportunity to work with experienced professionals, support diverse IT operations, and interact directly with clients.

As an IT Intern, you will:

- Assist in providing IT support services to our clients.
- Troubleshoot and resolve hardware and software issues.
- Gain practical experience in IT systems, devices, and network support.
- Work in a dynamic, collaborative environment with professionals from different departments.

### Requirements:

- Currently pursuing a Bachelor's Degree or Diploma in IT, Computer Science, or a related field.
- Good problem-solving skills and willingness to learn.
- Available to start from end of April 2026.
- Able to commit to an internship of at least 6 months.
- Able to work Monday–Friday, 9:00 AM – 6:00 PM.
- Location: Emspaced @ KL Eco City, Mercu 3

### Why join us?

You'll get valuable exposure to both in-house and client-facing IT operations, equipping you with skills and experience that will give you a competitive edge in your career.

### How to apply?

Send your resume (including your latest CGPA) and a confirmation letter from your university validating your internship period to [hr@emspaced.com](mailto:hr@emspaced.com). Please use the subject line: **IT Internship Application – [Your Name]**.
